PROJECT REPORT

Rotary Youth Program of Enrichment (RYPEN)

The Rotary Youth Program of Enrichment (RYPEN) provides young people aged between 14 and 17 years with the opportunity to develop their leadership potential.

The aim is to communicate to them a series of ideas, problem-solving techniques and social experiences which will assist them in forming their own values and moral standards and to broaden their horizons culturally, socially and academically.

Selected participants join their peers in a three-day camp where, in a supportive environment, they explore problem solving, team and group activities.

RYPEN is about building confidence and developing skills to cope in a range of situations. And about having fun and broadening their cultural, social and academic horizons of participants.

The RYPEN camp is held about May each year. Nominations for selection for RYPEN can be made to a local Rotary club by March-April.

Attendance fees for the selected RYPEN participants are paid by the nominating Rotary club.

If you are committed to challenging yourself, developing your abilities and contributing to the future of your community, take the RYPEN challenge.

HOW TO SUPPORT RYPEN –

- Make a donation to support RYPEN \$ _____
- Find out more about nominating an eligible person for RYPEN selection
- Get more information
