PROJECT REPORT

Rotary Youth Exchange Program

Rotary is looking for bright, well-adjusted students able and ready to act as youth ambassadors for Australia. Each year, the Rotary Youth Exchange Program provides some 8000 young people in 60 different countries the opportunity to experience the cultures and accomplishments of people in other countries, promoting world understanding and peace.

Potential exchange countries for Western Australian students include Brazil, Belgium, Denmark, Finland, France, Germany, Japan, Malaysia, the Netherlands, Norway, South Africa, Sweden, Switzerland and Taiwan.

Selected students spend a year attending school in the country of exchange, living in the homes of generally three or four host families selected by the partner Rotary club.

Travel expenses are generally paid by the student's parents, although some funding assistance is available where necessary.

The program is open to students who are completing their TEE in Year 12 and who will be under 18 at the start of their exchange.

Applications must be made through a local Rotary club and generally close at the end of March of the previous year.
